ARCHITECTURE

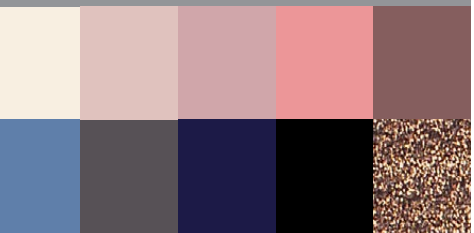

Our inspiration for FALL 2019

With our Fall/Winter collection for 2019, we tap into both history and modern culture to express the art in architecture. More than just "lines and angles," architecture captures the heart of humanity—it tells us how we live. At Amoena, we want women to live comfortably whilst revealing their inner strength and confidence. So we have built this collection on the foundation of confidence: Infused with earthy, natural colours, intriguing fabric textures, and the effortless geometry of well-crafted construction.
